10:00 — Start of 35 km distance

11:30 — Start of 70 km distance

11:30 — Finish of 35 km distance

14:30 — Finish of 70 km distance

14:30 — Awards

Note: Competition participants applying for their own personal participation in sport tournament who did not appear at registration are forbidden to participate in competitions. Sportsmen and teams that did not appear at prestart briefing are forbidden to start.

4. Bike race participants

Participants of competitions are the amateurs (men and women) **at the age from 18 to 65.**

Participants' age is defined as full years as of 24th of August 2019. Each participant of bike race chooses the distance (70 km or 35 km) individually at registration. Each sportsman participates in competitions at his own evaluation of risks and objective evaluation of own physical capacity.

Only the registered persons can take part in the competition. The accompanying persons mentioned in the ticket are the guests and have no right to take part in the bike race.

Professional bike racers can participate in bike race, but they do not fall in awarding protocol and do not take part in awarding.

5. Technical requirements

5.1 Outfit

Participants are allowed for competition if they have helmet and functioning racing bike. Competition participants shall have their helmets on during the practice and main trips on the bikes.

Headphones and other means of communication are forbidden.

5.2 Bike

Only sportsmen with racing bikes are allowed to participate.

Additional accessories improving wind shape or lengthening handlebar extensions are forbidden.

- Minimum weight of the whole bicycle (standard weight as per UCI is taken as 6.8 kg);
- Special shape of the wheel with narrow tread width (1.8-2.8 cm) and diameter up to 700 mm as per ETRTO standard;
- No damping yoke in bike configuration;
- Special shape of handlebar («curved»).

It is FORBIDDEN to participate using make-up bikes, bikes with fixed transmission, single-speeds, BMX-bikes, MTB-bikes.

6. System and management of sport competition arrangement

Organizing committee, together with panel of judges, has the right to introduce changes into competition program upon clarification of participant list, as well as due to technical or weather conditions, and announces it at the meeting of panel of judges on 24th of August 2019.

Akimats of Akmola region and Schuchinsk city provide:

- public safety of competition participants, informational support of sport event in regional media and on TV;
- road repair, striping, payment to workers for special equipment installation, lease of transport for special equipment and fencing transportation;
- preparation, arrangement, improvement of competition locations considering heavy accumulation of people;
- presence of state automobile inspectorate patrols, ambulances and mobile intensive care unit.

7. Race route, distance and order

Competition participants are highly recommended to pre-ride the race route before the race. Bike race routes are available on the official website Burabike.kz and in the starter packs.

8. Health service support

Sponsors allocate medical service from the respective health administration for all the competitions. Medical service shall include doctor and nurse at official trainings and during competitions, as well as at the tape of race route.

Two ambulances have to be at the route including mobile intensive care unit with teams consisting of doctor, nurse and driver accordingly. If such cars are unavailable, competition will not be held.

Execution of respective accounting and reporting documentation, acts in case of severe injuries of participants, ensuring timely transportation of injured to the nearest trauma center are included into competition doctor responsibilities.

Participant can be taken off the competitions for the reasons of health only by competition doctor.

9. Quantitative and qualitative composition of the panel of judges

The main panel of judges shall consist of judges of international, higher national category and national category, and the other judges shall have national or first category at all the republican and international competitions held in the territory of the Republic of Kazakhstan, regardless of who is the sponsor.

Seven judges will maintain the bike race.

10. System of results evaluation

A photo-finish and special electronic recording equipment are installed at the tape to identify the winner. The order of finishing participants recorded by the judge at the tape is the main for identification of the winner and the awardees.

10.1. Terminology for results withdrawal:

DNS – Did not start

DNF – Did not finish

DSQ – Disqualified

Finish time – time from starting shoot till finish mats crossing by participant.

Chip time – time from starting mats crossing till finish mats crossing by participant. **IMPORTANT!** The identification of winners and awardees of the race is made as per finish time of participant.

11. Awarding procedure for winners and awardees

Awarding of winners and awardees is performed at the competition closure parade with the obligatory presence of all the competition participants and their representatives.

Competition participants that did not appear at awarding ceremony lose diplomas, medals. The result achieved by the sportsman in the competition is nullified.

Awarding is performed in categories

35 km distance:

Men (I-II-III place)

Women (I-II-III place)

70 km distance:

Men (I-II-III place)

Women (I-II-III place)

12. Procedure for protest apply and its consideration

Протесты могут подаваться главному судье и судейской коллегии участником велогонки. Protests may be registered to the chief judge and the panel of judges by the representative of the team and the participant of competition. Collective protests will **not** be **considered**.

Protests regarding competition results shall be registered within 30 minutes upon their announcement. Protest will not be considered if not registered in written form.

Protests are **not considered** if they concern changing the result recorded by judge at the tape.

All the protests related to outstanding occurrences shall be considered by the panel of judges immediately.

Decision of the panel of judges made on disputable issues and protests in the process of competition shall be clarified to the competition participant and the team representative with the reference to the respective paragraph of the international rules. **The information about competition rules violation by the competition participant can be accepted by the panel of judges only from the members of the panel of judges.**

13. Prohibitions

Violation of rules given below leads to disqualification of participant's starting number from the overall standings:

It is strongly prohibited to participate with no helmet.

It is prohibited to participate using malfunctioning bike with broken brakes.

It is prohibited to ride using headphones.

It is prohibited to speak on the cell phone while riding, unless it is equipped with technical appliance allowing hands free speaking.

It is prohibited to use external assistance during the distance and in case of bike repair.

It is prohibited to change the bike during the distance (replacement of particular parts and units is allowed, except for the frame).

It is prohibited to use any ways and means that can simplify passing of the distance (motorized wheel, electric bike etc.).

It is forbidden to change the approved routes.

It is forbidden to be rude with another participant or any staff.

Any repair in the area of route during the bike ride is PROHIBITED. In case of bike damage the participants are prohibited to stay on the way of column. The participant must move away from the bike ride participants flow and get off the route to the sidewalk on the right of column movement direction. The participants have the right to use wheel changing station if damaged. Race time does not stop though.

Any external assistance to the participants during the race is prohibited. The participant that took any external assistance will be disqualified.
